

*“Χαίρε Ξένη. In the land of dreams”*

Photography exhibition by Robert McCabe

The Ministry of Tourism, the Greek National Tourism Organization and the Acropolis Museum present a photography exhibition by Robert McCabe titled “*Χαίρε Ξένη. In the land of dreams*” **from 28 May 2024 until 8 September 2024**, in the Temporary Exhibition Gallery at the Acropolis Museum ground floor. This is a unique retrospective exhibition to McCabe’s “Greek era”, with about 100 photographs, aimed to highlight the timelessness of the photographs of the American artist.

Robert McCabe’s photographic lens portrays Greece marked by toil and limited means, yet also highlights its prospects and the anticipation for a brighter future. The selected photographs underscore the significance of preserving Greece’s natural beauty and cultural heritage, safeguarding the elements of our identity that make Greece a truly unique place - vibrant, optimistic, with a rich tapestry of past, present, and future.

Entrance to the exhibition “*Χαίρε Ξένη. In the land of dreams*” is free to the public. A free admission ticket is required from the Museum Ticket Desk.

A bilingual publication (Greek-English) will soon be available in the Museum Shops.
